ROAD IMPROVEMENTS FOR CHATSWORTH AREA

Los Angeles County Supervisor Mike Antonovich announced plans to contract for improvements to various roads in the vicinity of Chatsworth. Improvements will include resurfacing and reconstruction of roadway pavement and the replacement of guardrails. The project is part of the County's ongoing highway construction and maintenance program.

The County Department of Public Works will open bids July 2 on a contract to perform the work.

The project is expected to take 25 working days to complete, beginning in September and ending in October. Once work begins, Valley Circle Drive, Lake Manor Drive, and Box Canyon Road may be reduced to one traffic lane for both directions controlled by flaggers, during daylight working hours.
